Dear Mr. Mingo,

We want to thank you and your organization so very much for your generous donation of blankets and toys for the animals. Thanks to all of you for thinking of our homeless animals and doing something so positive and helpful for them.

In addition to our work on behalf of the animals in our shelter, the MCHS provides a range of additional services, including humane education, foster care, volunteer training, adoption and pet behavior counseling, pet bereavement seminars and other activities.

It is nice to know that the animals have such caring friends. The Montgomery County Humane Society depends on people like you to help us make the animals' lives better until they can be adopted into a new loving, forever home. Thank you for your support and compassion for our animals.

Sincerely,

Stephanie Keyes  
Executive Assistant to the President
